

# 2023 Poster Contest Winner

## 6 YEARS OLD AND UNDER

**Sofia Vazquez** is an energetic five-year-old Kindergarten student at the Canyon View Elementary School. Sofia usually has a pen and paper close at hand because she loves crafts and drawing, especially making cards to keep in touch with out-of-state friends and relatives. Sofia's favorite things include family, friends, and "all things Disney." Sofia - who calls Rogelio Sanchez-Rangel, an Associate Planner in District 11, "Uncle Roger" - looks forward to eventually being able to join her friends as a Safety Patrol Officer or Crossing Guard because she wants to be able, "... to help all the kids in her school stay safe and learn about road safety."
